## I. Acceptance of Terms

By clicking "Enter" on the age gate, accessing the The Gentlemen's Place website ("the Site") or using any telephone entertainment services ("the Services"), you agree to be legally bound by these Terms and Conditions ("Terms"). If you do not agree, you must leave immediately and not use the Site or Services.

## II. Age Restriction – 18+ Only

The Services are strictly for persons **18 years and older**. By using the Site or Services you represent and warrant that:

- You are at least 18 years of age;
- You have full legal capacity to enter into these Terms;
- You are accessing the Services from a jurisdiction where adult entertainment services are legal;
- You will not allow any person under the age of 18 to access or view any part of the Site or Services.

The Gentlemen's Place reserves the right to demand age verification at any time and to immediately terminate access (without refund) if we reasonably suspect a user is under 18.

## III. Nature of the Services

The Gentlemen's Place operates a premium **adult telephone fantasy entertainment service**. All calls are **fictional fantasy role-play between consenting adults only**.

All operators are employed by The Gentlemen's Place (Pty) Ltd and provide the service on behalf of the company. No physical meetings, escort services, prostitution or any illegal activity is offered, facilitated or condoned.

## IV. Fantasy Disclaimer

The Services provided by The Gentlemen's Place are strictly for entertainment purposes only and are based on fictional fantasy role-play between consenting adults.

Users acknowledge and agree that any personas, scenarios, emotions, relationships or interactions portrayed by operators are entirely fictional and are part of the entertainment experience. No statements, representations or interactions should be interpreted as genuine emotional involvement, personal attachment, or real-world intent.

The Gentlemen's Place and its operators make no guarantees regarding emotional outcomes, personal satisfaction, or psychological impact arising from the use of the Services.

By using the Services, you accept full responsibility for your emotional and psychological responses and agree that The Gentlemen's Place shall not be liable for any perceived emotional distress, attachment, or misunderstanding arising from the fictional nature of the interaction.

No operator is acting in a personal capacity; all interactions are performed as part of a fictional role within the scope of the Services.

## IV.I Illustrative Profiles and Operator Privacy

To protect the privacy, safety, and anonymity of our operators, The Gentlemen's Place uses fictional stage personas, illustrative profile information, and representative images throughout the website. The names, biographies, locations, ages, interests, and photographs displayed on operator profile pages are created for entertainment purposes and do not necessarily depict or identify the actual individual answering your call.

All operators engaged by The Gentlemen's Place are real adults who have been verified in accordance with our internal onboarding procedures. However, their public-facing profiles are intentionally fictionalised to safeguard their privacy and personal security.

The Gentlemen's Place is a fantasy-based adult telephone entertainment service. All conversations are fictional roleplay intended solely for adult entertainment. No profile should be interpreted as representing the actual identity or appearance of an operator, nor should users expect or request real-world meetings, relationships, or interactions.

## V. Payment & Billing

All calls are made to normal mobile numbers operated by Vodacom, MTN, Cell C or Telkom. **Normal network call charges apply** – there are no premium-rate numbers or automatic billing by your telephone service provider.

You are solely responsible for ensuring you have sufficient airtime and for checking the applicable call rates with your network provider before dialling. The Gentlemen's Place accepts no responsibility for any airtime or call costs you incur.

When you dial the number and the call connects:

- The operator will inform you of the exact cost of the service;
- The operator will explicitly ask for your confirmation to proceed with the paid service;
- By verbally agreeing (e.g. saying “yes” or any clear affirmative response), you give your **electronic voice signature** and enter into a binding agreement to pay for the service that has been rendered.
- By proceeding with the call after being informed of the applicable cost, you acknowledge that you **fully understand and accept** the charges associated with the Services.

All calls are recorded (with the full knowledge and consent of the operator) for verification, dispute resolution, quality control and legal compliance purposes under the Electronic Communications and Transactions Act (ECTA). This recording may be used as evidence of your consent and agreement to the charges.

After the service has been rendered, you will be required to call back to receive the banking details for payment. Banking details are **never sent by SMS, WhatsApp or any other method** in order to protect your confidentiality. Payment must be made promptly after the call. Once the service has been provided, the amount is due and payable immediately and is **non-refundable**, except where a proven technical failure on The Gentlemen's Place’s side prevented delivery of the service (as required by the Consumer Protection Act).

## VI. Collection and Use of Personal Information (POPIA Compliance)

The Gentlemen's Place may collect and process personal information reasonably necessary to provide, secure and administer the Services and, where applicable, to address unpaid amounts arising from Services that have already been rendered.

Where a client fails to pay an amount legitimately due for Services rendered, The Gentlemen's Place may process relevant personal information, including:

- Full name and surname
- Cell phone number
- Other information reasonably necessary for lawful identification and tracing purposes

Such information may be used for legitimate debt-recovery purposes, including identifying and locating a client in connection with an outstanding amount.

The Gentlemen's Place may appoint and share relevant personal information with authorised third-party service providers, including tracing and debtor-identification service providers, where reasonably necessary to identify, locate or verify information relating to a client in connection with an outstanding amount. Such service providers may process the information solely for the authorised purpose and subject to applicable confidentiality and data-protection requirements.

Voice verification may also be used where reasonably necessary for identity verification or debt-recovery purposes. This may involve conducting a lawful trace and, where a voice recording is available and lawfully obtained, presenting the recording to the client for the limited purpose of verifying whether the voice belongs to the person associated with the outstanding account.

The Gentlemen's Place may also use its internal collections personnel or authorised third-party debt-recovery service providers where applicable.

The Gentlemen's Place shall process personal information in accordance with the Protection of Personal Information Act 4 of 2013 (POPIA) and other applicable legislation, including using an applicable lawful basis for the processing concerned.

Personal information will not be used for unrelated marketing or profiling purposes.

Personal information will not be retained for longer than reasonably necessary for the purpose for which it was collected, or for any period required or permitted by applicable law, and will be securely deleted or destroyed when no longer required and where no legal or regulatory retention requirement applies.

## VII. No Refunds Policy

Due to the nature of adult telephone entertainment, **all sales are final**. No refunds will be given except in the narrow case of a proven technical failure on our side that prevented service delivery.

The Gentlemen's Place does not guarantee the availability of any specific operator, duration of engagement, or continuity of any particular interaction. The nature of the Services is variable and dependent on operator availability.

## VIII. Non-Payment & Debt Recovery

Failure to pay for Services that have been rendered constitutes a breach of these Terms and a legally enforceable debt.

The Gentlemen's Place reserves the right to take all reasonable steps to recover any outstanding amounts, including but not limited to direct contact, advanced tracing methods, and the use of internal or third-party debt collection services.

By using the Services, you expressly consent to being contacted for the purpose of debt recovery via telephone or SMS using the contact details associated with your call.

Any costs incurred in the recovery of outstanding amounts, including collection fees, tracing fees and legal costs on an attorney-and-client scale, may be added to the amount owed to the fullest extent permitted by law.
